FORM, FUNCTION & BEAUTY

Panels designed as an art for living. NoiseMonster panels are not only functional acoustic elements but are also beautiful art pieces to visually enhance any space.

NoiseMonster has brought the craft of combining form and functionality to a new level by introducing a **new generation of acoustic wall panels - FABWOOD**. Two beautiful materials in one unique panel.

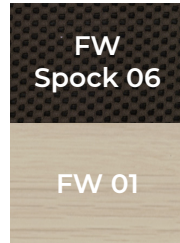

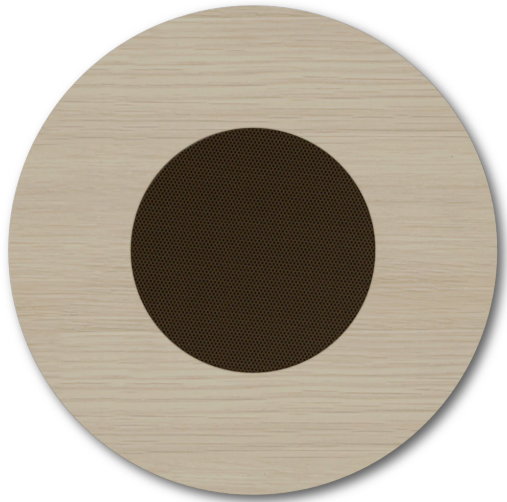

Fabric & Wood COMBINED

VANILLAMORNING

A combination of wonderfully soft vanilla wood with coffee coloured Spock fabric. For mornings filled with smiles and sweet scents.
